Headteacher's Awards Awarded 12th January 2024

- Reception:** Kai for coming back to school eager to learn and enjoying our new 'Toys' topic. He has also been a really kind friend this week!
Bobby for his fantastic artistic skills when using a pencil this week to create an observational drawing of an old toy!
- Year 1:** Well done to Jaxx for always being polite and helpful in the classroom and for following the school rules. Well done also to Olivia for learning our new talk for writing story "Monkey see, Monkey do!" with all the actions and with so much enthusiasm and joy!
- Year 2:** Evie, Oscar and Skyla were given a Headteacher's award this week. We have been learning column addition which can be tricky. These three children have all been able to lay it out correctly using the column method. Great work all!
- Year 3:** Last week's Headteacher awards went to Arthur and Dami. Both boys displayed a mature, sensible attitude towards their learning last week. Arthur picked up the story we had been learning in English very quickly and has since written a fantastic innovated version of it. He was focused and engaged in all lessons showing great self-regulating learning behaviours. Dami also had a great week. He worked hard in every lesson and participated in all group discussions. Great work boys, please keep this great attitude towards your learning!
- Year 4:** This week in Year 4, Valentino, Leyton and Frankie were awarded Headteacher's Awards. I was so impressed at how enthusiastic and engaged these three children were in our new Shared Reading text - 'Arthur and the Golden Rope.' These children do not usually put their hand up a lot in this lesson, but this week what a change! Well done to the three of you. Keep up the great work in Shared Reading.
The Year 4 Team are delighted to announce that we have awarded the first ever Pen Licenses in our class. In this class, no one has had one in their time at school until now! The three children were Tommy, Mylor and Josie P. Huge congratulations!
- Year 5:** Hollie received a Headteacher's award this week. Hollie really went out of her way to help Miss Richards. Well done!
Well done to Poppy for an excellent character description where she pushed herself to include a lot of PAG.
- Year 6:** Jack received a Headteacher award for excellent progress with his spellings. This week, Jack has really shown his knowledge of different spelling patterns and has used it well in his sessions.
Well done to Taylor H for his super-computing work this week. He has produced a lovely name badge using computer aided design with his learned different skills.

Numbots week

Next week (22nd – 26th January) all pupils will be taking part in Numbots week. During this week we'll be doing Numbots in our slots normally reserved for TTRS and are encouraging pupils to complete as many levels and stages in that week, both in school and at home. This will also be the first Numbots week for our **Reception** pupils! This half term we will be awarding class and whole school certificates for the top three pupils with the **highest number of correct answers**.

Design Technology - Pneumatic Monsters YEAR 3

Please could all Year 3 children bring in a small box ideally with an attached lid (shoebox is ideal) for the children to use in our Design Technology lessons in which the children are going to make a Pneumatic Monster! Please could all boxes be handed into the classroom week commencing 29th January with the final date being Friday 2nd February. Many thanks for your support with this.

Mrs Campbell

Year 6

In a couple of weeks' time, Year 6 will be designing and making a model lighthouse as part of a DT project. We would be very grateful if you could start collecting items that can be used such as clear yoghurt pots, small boxes, pringle tubes and kitchen roll tubes. Another useful item might be a box shaped as the ones here.

Please can all items be brought in in a named carried bag.

As always, thank you for your continued support and we will share with you the photos of the finished products!

Wellbeing

The 5 ways to wellbeing

This week we're focusing on **CONNECT**

Connecting with the people around us is a great way to remind ourselves that we're important and valued by others.

Here are some suggestions from some of our pupils for staying connected:

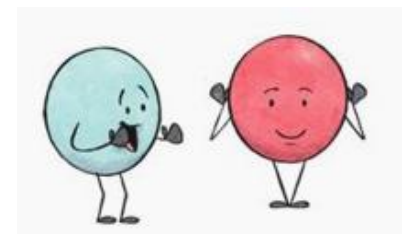

Talk with someone in your family or group of friends and really listen to what he or she has to say. Perhaps ask about something that happened at work, at a club or perhaps how he or she is feeling today and why that is.

"We can ask our friends to play!"
Liam

"I use my iPad to video call my family"
Arthur

"We can connect by taking care of people"
Ella

Parents Evening Bookings

Football Report By Jack and Jamie

On Tuesday we played an away game at Treverbyn School. The match started well with Jack scoring the first goal with a header assisted by Jamie. Very quickly later, Callum scored a tap-in assisted by the opposition!

Treverbyn came back with a goal in the first half.

After this, we continued to score goals; many of them! Zak scored a hat trick, Morley scored 1, Theo scored 1, Jack scored another 3! Max was determined to score his first goal for Roche School and managed to get one in on this match! Therefore, he is the man of the match for not giving up and his determination rewarding him in this game!

We are looking forward to the home game on Tuesday 23rd January against Sandy Hill. This is a Rosewarne Cup match.

School Meals

The lasagne went down a storm yesterday with Mrs Whitford making enough to feed 60 pupils who had ordered it!

Maisie enjoyed her lasagne with green beans and Mrs Whitford's home-made bread!

She also enjoyed the 'very berry' angel delight!

The lasagne choice is on week 3 of our menu on a Thursday.

Chinese New Year

Dragon Chinese New Year is on Saturday 10th February. The dragon is the fifth animal in the Chinese zodiac. In the Chinese culture, the dragon represents good luck, strength, health and also the male element Yang.

We are celebrating at Roche School with a menu change on Thursday 8th February.

The choices will be:

Main: Chinese chicken with rice

Vegetarian: Vegetable chow mein

Please note there will be no school packed lunches or jacket potatoes available this day.

If you have ordered your child's meals for the term or have completed the week beginning 5th February already, you will have to re-book the 8th February as all pre-orders for this date will be erased to accommodate the menu change.

祝你新年快乐！

Zhù nǐ xīnnián kuàilè!
