## Headteacher's Awards Awarded 30<sup>th</sup> June 2023

- Reception:** The Headteacher's Awards this week went to Harry for having determination and a great attitude towards our sports day this week and Freddie J for your fantastic joining in during our talk for writing sessions.
- Year 1:** The awards this week went to Seth for working hard in maths by counting and recognising coins and Lacie for always being ready to learn, always following school rules and for being so helpful in class with Mrs Gardner.
- Year 2:** Well done to Harrison for writing a great story remembering to use finger spaces, capital letters and full stops. Congratulations to Benjamin for super work writing his story independently.
- Year 3:** Last week's Headteacher awards went to Lucy and Leyton. Lucy had a brilliant week all round. She was amazing in all lessons and gave everything 100%. Her learning behaviours were a fantastic example to all the other children. Well done Lucy, what a great week! Well done to Leyton too for some great work in Comprehension. We have started doing Comprehension in a different way and Leyton has really stood out for listening to all instructions, good learning behaviours and giving great answers to the questions. Keep it up Leyton, I'm impressed!
- Year 4:** Lexton - He has had a great week! He has followed instructions really well and made great choices. He has also worked so hard on his final independent write. He tried really hard in Sports Day too. Huge well done for such a positive week Lexton. Keep it up! Harry D and Emmie - They both put an amazing amount of effort into their independent writes this week. They were very determined to include lots of our punctuation and grammar that we have been learning about all year in Year 4. Their presentation is also great! Well done to both of you.
- Year 5:** A lovely week this week, with Sports Day, futuristic art lessons and a session on CPR - well done to all Year 5s for an athletic, arty and life-saving week! They also had Maths assessments to complete - busy, busy, busy!
- In particular, I'd like to congratulate both Lanikai and Taylor C for some really super explorations in their Art sketchbooks. They really worked hard on the details. Another well done to Rhys, who gave mature answers in PSHE, proving he had been listening well throughout. Well done all!
- Year 6:** This week it had to be a whole class award for Year 6's trip to London. We had a fantastic time!
- Another award went to Tristan for his leadership of a field event at Sports Day.

**Netball Report**

*By Isla and Evie*

In the first game against Whitemoor, Isla and Amelie were constantly shooting! Amelie scored 5 goals and Isla scored 2! Whitemoor got one shot in but we won 7-1!

On the second game against St Dennis, after a lot of persistent trying, we came to a conclusion of 0-0.

Our third game against Nanpean, they scored 1 and we scored 0.

On our fourth game, despite all of our efforts, St Stephen scored 7 and we scored 0.

We came 4<sup>th</sup> overall.

Player of the match was Amelie!

The first game we played against Whitemoor. Within the first few minutes, I scored to make it 1-0 to us. A couple of minutes later, we had a corner and Riley had an amazing strike and it went top bins! After that I scored to make it 3-0.

The second match was against St Dennis. From the start, they were putting pressure on us but we scored from a counter attack. Not long after, Riley had a top bins strike! During the second half of this match, Thomas dribbled past everyone and scored! The match finished 3-0.

The third game was against Nanpean. Nanpean had a really good defence and mid-field but we still managed a shot from Tyler to the bottom left. After that, I got the ball and got a shot from outside the box and it went in. The match finished 2-0.

The fourth and final game was against St Stephen – our hardest opponent yet! The game started off with a lot of the ball going to St Stephen, however, we got a shot by the ball going to Harry. After that, we gained confidence and I scored another goal. To finish the game off, Thomas got a volley to finish making it making us the champions of the Snell Cup!

The whole team is 'man of the match' for a brilliant season of football.

### Outside of School Activities

At the weekend, Callum played in the Charlestown Youth Football Tournament for his team, Charlestown Choughs.

After the inspiration of the Snell Cup win on Friday, he woke up on Saturday raring to go. It was a brilliant day and after some tough matches, including extra time and penalty shoot outs, Callum and his team mates ended up as the under 9's winners of the tournament. Callum was especially proud of the back heel goal he scored in the must win match to guarantee a semi-final place.

Attached is a picture of Callum with holding the winner's trophy.

Well done Callum from all at Roche Primary School.

### School Kit

If your child has any kit belonging to school such a football kit, netball kit or cross country kit, please can it be returned to school. This includes any socks you may have.

Please can it come to school before the end of term.

Many thanks.

## Clubs Next Week

Next week is the last week for all clubs which haven't already finished (Football Club, Netball Club, Science Club and Sewing Club).

We are hoping to offer brand new clubs in September – details to follow.

The children who have been involved in Science Club will be getting a special Crest Award in the end of year assembly.

## Uniform in September

From September we are continuing with our PE kit style uniform.

Red hoody, cardigan or sweatshirt.

If not a school-supplied hoody, please make sure the top is plain. No logos please.

Plain red t-shirt.

Plain black jogging bottoms or leggings. In the warmer months this can be swapped to plain black shorts.

Trainers can be any colour but **must** be suitable for sport.

School uniform with the Roche School logo can be bought from <https://www.pbuniform-online.co.uk/schools/roche-primary-school.html>

For home delivery before the start of term, uniform must be ordered before 1<sup>st</sup> August.

## Wellbeing

Making a connection with other people can feel AMAZING! Connecting with others makes you feel like you belong; you are important and you are valued. Belonging helps raise your self-esteem.

You can connect with people in lots of different ways. Try and connect with someone EVERY day.

- Talk to someone by telephone instead of texting or emailing.
- Speak to someone new in school that you haven't spoken to before.
- Spend time talking to your siblings. Play a game with them or read a book then discuss the story.
- Talk to your next door neighbour.
- Spend time listening not just talking. Really listen to what others are saying.
- Join a club or a group and get to know people who like the same things as you do.

## Online Safety

Attached to this newsletter is our monthly online safety newsletter compiled by Knowsley City Learning Centre.

Please take time to read it and discuss any relevant topics with your children.
