Reception Class Home Learning

Every Monday, Reception class children have home learning to try. Lots of you have sent in photographs and information on what your children have discovered during their home learning!

Some children have added extra learning at home which is fantastic!

We loved this picture of Jett with his cutting activity! Jett's mum said: "He found this tricky, but after a few goes he got the hang of changing the direction of the cuts and was very proud of his outcome!"

We think you've done a great job Jett! Well done!

The National Child Measurement Programme
Reception Class and Year 6 Only

Across England over 99% (approx.17,000) of eligible schools take part in the NCMP every year. This provides valuable information which is used to plan for and invest in key services to ensure all children have the opportunity to be healthy.

The programme engages parents by sharing their child's results with them and promoting healthy lifestyle advice and support.

Below are the official links to the Digital Health Information weblinks for families. These weblinks contain many useful links including how to 'opt out' of school health screening.

Pen Pal Club

Unfortunately, our Pen Pal Club has gone down to only 2 pupils.

Mrs Austin has organised for children at school to write to children in two other countries and they are expecting letters.

The club is open to Year 5 and 6 but we are now opening it up to Year 4 to try and gain numbers – we would need at least 10 children ideally.

Without extra children, we will have to cancel the club.

Please email Mrs Batten if your child would like to join.
