Headteacher Awards awarded on 4th March 2022

- Reception:** This week in Reception class the Head Teacher award is going to:
Koa for coming back after half term with such a fantastic attitude to his learning and always willing to contribute ideas!
Bali for his enthusiasm towards our new topic this half term 'People who help us' and drawing and labelling his own fire engine.
- Year 1:** The Headteacher awards this week go to Arthur for working really hard with his presentation and Poppy for working hard in English to write instructions on how to brush our teeth.
- Year 2:** Headteacher awards for Josie M for working really hard in maths and getting all of her 2-digit take 2-digit equations correct and James for thinking about his body and identifying when he is low.
- Year 3:** Last week's Headteacher awards go to Vassili and Jake. Vassili had been a superstar learner in all areas all week! He came in on Monday with a very positive learning attitude which he kept up all week. He worked well in English independently using strategies taught to help him with his learning. Great self-regulating behaviour.! He was focussed in Maths with new learning of formal multiplication methods. Well done Vassili, it was lovely to see! Headteacher award also went to Jake for working hard on his writing conferencing target and trying to include it in his writing. Well done Jake.
- Year 4:** Roanna and Daisy for achieving Personal Best ZPDs on Star Reader! Well done girls and keep up the great reading.
Holly - For working so hard in our Maths lessons on fractions this week. She has been putting her hand up to answer questions a lot which is great! Well done Holly.
- Year 5:** George - for trying really hard with his editing and enhancing, and for beginning to push himself more independently.
Kira - for follow instructions more diligently and therefore meeting learning objectives. Well done, and keep it up!
- Year 6:** A whole class award for excellent behaviour and representing the school well during the trip to the Lizard Lighthouse.

Golden Tickets

- Reception:** Vinnie for super subitising.
Year 1: Darcie for independently logging onto a computer.
Year 2: Edie for trying really hard with phonics.
Year 3: Paige for progress in arithmetic.
Year 4: Kaelyn for working quietly.
Year 5: Jack for 100% in a spelling test.
Year 6: Esme for handing in homework on time.

Year 6

Congratulations to Brooke T who earned her Pen Licence last week. Well done!

Support for Ukraine

We are overwhelmed with the amount of donations for the people of Ukraine from you all. Thank you so very much.

We would like to continue our support by asking all children to dress in yellow and blue (Ukraine's flag) on Friday 18th March and donating what you can to the Disaster Emergency Committee.

The Disaster Emergency Committee are in Ukraine and neighbouring countries providing food, water, shelter and medical assistance to refugees and displaced people.

They can make your donations really matter by spending the money on the right things at the right time in the right areas.

£30 could provide essential hygiene supplies for three people for one month

£50 could provide blankets for four families

£100 could provide emergency food for two families for one month

Here is the link to donate, and don't forget to add gift aid if you are a UK taxpayer which will add an extra 25p for every £1 you give.

To donate, use this link: <https://www.dec.org.uk/>

We have taken a large bulk of the Ukraine donations to Holy Trinity church in St Austell. Unfortunately, we were unable to take the clothes but we are hoping to take them at a later date. We can accept more donations but only toiletries, personal hygiene products, feminine items, baby items (wet wipes/nappies etc) and medication. All items should be new and in original packaging please. We cannot accept clothes for the time being.

A big thank you to the pupils of Year 6 who helped sort through the donations!

Wellbeing

The School Council's wellbeing video is now available to view on the website. The school council have worked hard to think of ways that we can all look after our wellbeing and also to celebrate what activities we do to support our wellbeing in school. Please watch it to see how we can all look after the way we feel in a positive way.

Tilly's Diary

On Monday, I made a new friend! This is Toby the tortoise. He belongs to Mrs Carlin and was brought in to support the book of "The Tortoise and the Hare". (It's probably for the best that no-one bought in a Hare!)

Toby really wanted to be my friend, but I wasn't so sure. It's hard to make friends when they pull their head, feet and tail into their shell and look like a pretty stone!

Toby is 7 and will grow slowly over time. He could potentially reach over 100 years old! It was nice to meet you Toby!

Raising a Reader: Top Tips for Parents to Foster a Love of Reading

Free Online Training!

Dandelion Training are a fantastic company who we regular use to up-skill our staff both at Roche, and across the academy trust.

On Wednesday March 30th, between 7pm and 7:45pm, they are kindly offering a free, online training for parents on how to develop a love of reading in children. Their trainings are fun, relaxed and informal – and they won't force you to offer ideas or have your camera on! Reading really is the cornerstone of learning, and whilst many children learn to decode (physically read words) fluently, often the ability to comprehend or the enjoyment reading can bring, often takes some encouragement, particularly if reading has been a challenge so far!

Sign up for free and see how you can support your child at: <https://www.dandelionlearning.co.uk/raising-a-reader-top-tips-for-parents-to-foster-a-love-of-reading-free-training/>

Queen's Jubilee Celebration

As the Queen's Jubilee falls in the May half term, schools have an extra day in lieu of the bank holiday to celebrate the Queen's Jubilee. Our day is Friday 22nd July, therefore we break up for the summer on **Thursday 21st July 2022**.

11-20 March
**British
Science
Week
2022**

This year for science week, KS2 can design their own poster and KS1 can colour the picture associated with British science week.

Mrs Gardner will then choose a winner from each Key Stage.

Good luck!

(Posters being sent home with your child)

British Science Week is a ten-day celebration of science, technology, engineering and maths that will place between 11-20 March 2022!
