Home Learning

Over the weekend, Marcy has been taking about what she would like to do when she is older. Marcy decided she would like to become a doctor as she had to have surgery this year and the doctors were really nice to her and looked after her - it made her happy. They also showed Marcy how each examination tool worked and told them about caring for people and making them feel better and safe.

Marcy, we think you would be a great doctor!

Home Learning

Ayla has been taking to her family about things to keep us healthy.

Ayla wrote her list so mummy could practice her phonics! She said her favourite exercise was dancing. She has drawn some of her favourite fruits and we had to write water in blue as 'that's what colour it is!'

Ayla, we love your topic work and phonics rolled into one!
