Roche CP School Rules for Life

- Show good manners at all times
- Follow instructions with thought and care
- Care for everyone and everything

Headteacher Awards Awarded 17th May 2024

- Reception:** Well done to Luna for designing and creating a wonderful crown inspired by The King and Dominic for being able to understand and explain the life cycle of a butterfly!
- Year 1:** Well done to Tilly for your fantastic story writing, beautiful handwriting and amazing spelling!
- Year 2:** Brilliant work from Brendon, Millie and Poppy this week. They produced a great piece of art work! They worked with fibre to make a felt picture they had previously created. Well done!
- Year 3:** Last week's awards went to Eva and Charlie. Last Wednesday, Year 3 visited the Royal Cornwall Museum in Truro to learn more about the Romans. Eva and Charlie both really stood out for asking so many interesting questions and answering lots of questions. Staff from the museum were particularly impressed with Charlie's Roman knowledge. Both displayed good manners and excellent behaviour all day. Well done to both of you for representing Year 3 and Roche so well!
- Year 4:** This week Daniel received a Headteacher's Award for Spanish. Miss Vera Bo and myself were so impressed with his attitude, dedication and translation skills in our lesson this week. He tried so hard and made a lot of progress in one lesson. Well done Daniel.
- Chase also received a Headteacher's Award this week due to the amazing progress he has made in Reading! His hard work is definitely paying off as he has now gone up to our last RWI group! This is fantastic progress Chase and we are all proud of you, especially Mrs Welch!
- Year 5:** This week, I asked the Year 5s for suggestions for headteacher's certificates. These two children were spotted by their peers - how lovely!
- Ella - for working hard during handwriting sessions.
Taylor - for trying hard in the rugby lesson with Neil.
- Year 6:** We had to award a whole class award this week for Year 6! What a great effort they all put in during SATs week! Well done Year 6!

Activities Outside of School

Well done to Mylor who was awarded 'Super Star of the Week' last weekend from his football coach!

How brilliant Mylor! Well done!

If you have taken part in an activity outside of school and want to share it with us, please do send a photo alongside some information to reception@roche.tpacademytrust.org so you can feature on the newsletter like Mylor has!

Home Learning

Arabella took her home learning from Reception Class to the beach! The topic in Reception Class is Minibeasts so Arabella made a spider from some natural materials found at the beach which included a pebble, shells, a feather, sticks and seaweed! Can you see how Arabella has made the spider?

Well done Arabella, we loved your home learning photos! This will be stuck into your Learning Journey!

We love seeing the children's learning outside of school so please do keep the photos coming in!

A reminder Half Term is next week.
We return to school on Monday 3rd
June.

Jay's Aim
By Harry J

Last Thursday, Jay's Aim visited school to teach Year 5 and Year 6 how to do CPR. We learnt that if you do CPR you should do two breaths and 30 compressions. You should make sure you ask for help and ring 999. You need to try and find a defib machine too (there is one on the school house at school and one in the school office).

Theo and I 'shocked' the dummy with a pretend defib which we found really interesting.

From Jay's Aim:

We try to educate as many people as possible about what to do in an emergency; with this in mind, Jay's Aim provides free-to-attend CPR and defibrillator training (known as CPR/AED training) throughout South-West England. Our goal is to train as many young people as possible - and the people who support them - in CPR and defibrillator use, so that they can be confident in an emergency situation.

Well done Year 6s for completing your SATs last week! You all gave your best and we are really, really proud!
Here they are enjoying a well-deserved break on Goss Moor!

Environmental Day

On Thursday 6th June, Year 6 are hosting an environmental super learning day.

If your child is in Reception Class or Year 1, they will need to bring in a clean plastic milk container (a 4-pint size would be perfect).

Children in Year 2 and Year 3 need empty egg boxes (preferably cardboard) which hold 12 eggs.

Children in Year 4 and Year 5 need kitchen roll tubes or toilet roll tubes (1 or 2 is fine).

Year 6 will be running the event. If you have any of these items which you can donate to different classes, we would be really appreciative.

Can items come in after half term please – on the day is fine.

Sports Day

Sports Day will be on **Monday 24th June**.

KS2 will start at 9.15am (Year 3, Year 4, Year 5 and Year 6)

KS1 will start at 1.15pm (Reception, Year 1 and Year 2)

Our back up day for Sports Day should we need to cancel for the weather is Wednesday 26th June. Our back up for the back up day is Friday 5th July!

We will keep you informed of any changes which may happen nearer to the time.

School Kit

If your child has any sports kit belonging to the school, please can you return it to the school office. School kit is easily recognisable by the Roche School logo embroidered on it (t-shirts, netball skirts, shorts etc)

Sports kits are expensive to buy so we are unable to let children keep it. Some kits include socks, we need those back too please.

Wellbeing

This half term, have a go at the bingo sheet here. Tick them off as you go; will you get a full house before we come back to school?

Think about which of the five ways to wellbeing each activity meets too!

HeadStart Kernow has created the resource My Brilliant Place to be ME! for the young people of Cornwall.

It's all about helping them learn to look after their wellbeing and feel good!

You can find resources for kids and parents in local libraries and at their website:
