## Headteacher's Awards Awarded 3<sup>rd</sup> March 2023

- Reception:** The Head Teacher Awards in Reception Class are going to:  
Mia B for her wonderful enthusiasm and attitude towards all areas of her learning!  
Kieron for working hard in phonics and taking more care with his writing.
- Year 1:** This week the first Headteacher award went to Jake for working hard in phonics by learning and using the sounds o-e, u-e and i-e. The second award went to Oscar for painting a lovely design with inspiration from Clarice Cliff.
- Year 2:** The Headteacher's Awards were given to Mia Cu and Florence. Mia and Florence have learnt a new skill and can now thread a needle, tie a knot and do a running stitch. Well done!
- Year 3:** Last week's Headteacher awards went to Chase and Lola. Chase had a great week in phonics although it was a slightly different week having different adults taking his group, Chase coped well with the change and worked super hard in every session. He is making good progress with his reading and is very enthusiastic to read which is lovely to see. Well done Chase. Lola had a great week in Maths. She worked hard on her presentation skills and grasped multiplication very quickly. Her times tables knowledge really helped her. She has also been a really kind member of Year 3, thinking of others. Congratulations Lola!
- Year 4:** This week in Year 4 the winners were Harrison and Ella!  
Harrison - Harrison is really impressing the Year 4 adults with his Computing skills each week. He has been finishing his work quickly and efficiently and then even supporting his peers! We would also like to mention the progress he has made with his handwriting at home and in school this half term. Mr Walden was super impressed when Harrison showed him the progress. Keep it up Harrison!  
Ella - She works incredibly hard and has a fantastic work ethic! Even if Ella finds something a bit tricky, she will not give up. We have been impressed with how Ella is wanting to do more independently but will confidently ask for support if she needs it. Well done Ella!
- Year 5:** Three Headteacher's awards were given this week. Max A gained an award for having a tremendous week. He's been trying really hard and has done some super maths, has brilliant space knowledge and has done some fabulous drawing! Rhys was given an award for always being willing to help with jobs in Year 5 and whenever asked and Daisy also received one for a renewed conscientious attitude towards her spelling – keep it up. Well done to all three of you!
- Year 6:** A whole class award was given this week to Year 6 for displaying a super attitude and trying really hard with their mock SATs. Well done to you all.

Girls Football – ADVANCED NOTICE

There is no Girls Football club after school on 29<sup>th</sup> March due to staff training. Please collect your child at 3.15pm this day.

Many thanks

KS2 (Y3,4,5+6) Egg bashing  
Tournament  
Win an Easter treat!

Wednesday 29th March  
To keep it fair, bring in a **HARD**  
boiled hen's egg on the day.  
There should be no embellishments  
or decoration.

## Wellbeing

### Do you worry?

Everyone has worries! You might worry about big things or small things. It can make you feel anxious and scared. Next time you are worried, question your thoughts. Write down what you think WILL happen. Then step back and think about whether this is true. What MIGHT actually happen, write that down. Then come back later and write down what ACTUALLY happened.

Quite often our worries are just that – thoughts that don't come true.

Use the sheet attached to try out this activity and then read them all from time to time to reassure yourself.

### **Book Recommendation—The Huge Bag of Worries by Virginia Ironside**

A reassuring picture book that encourages children to open up about their fears and anxieties to help manage their feelings. The perfect book to soothe worries during stressful times. Available through [Amazon](#)

**“Worrying is like walking around with an umbrella, waiting for it to rain”  
– Wiz Khalifa**

This afternoon, your child will be sent home with a ‘Think about it’ sheet to complete at your leisure at home to go alongside the above information.

### Comic Relief

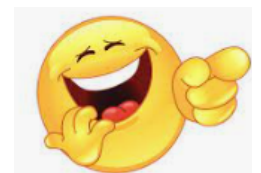

**FRIDAY 17 MARCH**

On Friday 17<sup>th</sup> March it is Comic Relief day. We are asking for donations of £2 per family to be sent via our Just Giving link: <https://www.justgiving.com/fundraising/rednoseday23-roche-community-primary-school>

Children are welcome to come into school in non-uniform this day. As it is Comic Relief, children are invited to write down their favourite joke and give it to Mrs Batten! They will be put on the newsletter over the coming weeks. Make sure your child pops their name on the joke so we know who to credit it too!

We'll start you off:

*What do you call a bear with no teeth?  
A gummy bear!*

## **5 A-Side at Brannel Football Report**

*By Jenson*

Our first game at Brannel was against St Dennis. I scored the first goal with a finish from outside the box. Three minutes later, Riley came off the bench, made an impact then scored! St Dennis then scored a penalty from the bottom right. Just after this, Riley took another shot and it went bottom left and that ended the first game.

In our second game, we played Nanpean and we had so many shots on target, but I took a shot at the bottom right to score a goal. Minutes later, Nanpean had a shot and it went bottom right flying past Jack M and that ended the 2<sup>nd</sup> game.

In our last game against Bugle, we had so many chances but just could not score until one of the Bugle players got the ball in the bottom corner and it was 1-0 to Bugle. Roche continued to have a lot more shots but we just couldn't get it in. That ended the last game.

We came 2<sup>nd</sup> in the tournament and I got a trophy for the most valuable player.

## **Snell Cup Fixture** **Football and Netball**

The Snell Cup was cancelled because of the heavy rain by Brannel. We are pleased to say that it has been rearranged.

The Snell Cup will now be on Thursday 30<sup>th</sup> March. The consent forms which were completed for the original date will be kept and carried forward to this date with arrangements exactly the same as before.

Year 4 need toilet and kitchen roll tubes for a project. If you have any you could bring into school, it would be most appreciated!

Thank you!

## Numbots week

Next week (13<sup>th</sup> – 17<sup>th</sup> March) all Year 1 to Year 6 pupils will be taking part in Numbots week. During this week we'll be doing Numbots in our slots normally reserved for TTRS and are encouraging pupils to complete as many levels and stages in that week, both in school and at home.

This half term we will be awarding class and whole school certificates for the top three pupils with the most **correct answers**.

## Tilly's Diary

*Look how pleased I am with myself! One of my favourite items to play with is Miss Richards scarf! On Thursday she was wearing it and I managed to grab the tassel and pull it off from her neck! I then sat on it! I did give it back eventually, I promise!*

*I've had a brilliant week at school. I've seen a lot of children this week and enjoyed my head rubs and my tummy tickles! What joy to be a dog!*

*I hope you all have a lovely weekend!*

*Love Tilly x*
