Cup Awards - Science Awarded 31st March 2023

- Reception:** The Science Cup in Reception Class is going to Freddie. He has been very enthusiastic in all of our science lessons this half term and has shown a great knowledge of the different plants and animals that we might see in Spring time. He enjoys exploring the outdoors and using his senses to describe what he can see and hear whilst outside.
- Year 1:** Flora was awarded the Science Cup as she has such an enquiring mind and always asks brilliant science questions. She works really hard in science and loves observing and finding out about things. Well done Flora!
- Year 2:** Raeven loves science. During our science lessons, she engages well and responds well to questions, answering them in an appropriate way using terminology that she knows. Raeven is an excellent communicator and discusses her finding with her friends. Raeven is excellent at remembering previous learning, for instance, she remembered that animals that live in water and on land are called amphibians. I'm looking forward to watching Raeven's love for science grow as she moves through the school.
- Year 3:** Congratulations to Ella in Year 3 who was awarded the Science cup. Ella has a great inquiring mind and always asks good questions when it comes to Science. This was evident in our Science lessons last term and when we had Cornwall Lithium into our classroom to discuss what they do. Ella asked some great questions and displayed good knowledge skills when she was able to recall names of rocks from our learning in Aut 2. Well done Ella! Keep it up!
- Year 4:** Taylor won the Year 4 Cup for Science last half term! She works hard in all subjects, but the adults were particularly impressed this half term at her efforts in Science lessons. She was very enthusiastic and a great team player when we were Science Inventors for Science Week. She has enjoyed our learning about the Water Cycle so much that she was even recapping it on the way to her Cross-Country Race in the minibus! Huge well done to Taylor!
- Year 5:** Science cup, Freddie! Freddie enjoys all aspects of school and is a talented academic. Nevertheless, his hard work and curiosity in Science is super, with good questions in class and carefully considered responses on his Knowledge organiser! Not only that, but he often comments on things he has done at home too. Well done Freddie! Stay curious!
- Year 6:** The winner of our science cup was George.
George always demonstrates a keen interest in his Science and is very knowledgeable. He listens carefully, and is able to make excellent contributions. George thinks in depth about what he is learning and is able to provide insightful explanations into the outcomes of investigations. George is always enthusiastic and regularly informs us of how much he has enjoyed certain activities. Well Done!

Well done to Olivia and Emilia on gaining their pen licence!

Cross Country

A massive **CONGRATULATIONS** to the 5 children who ran in the Cornwall County Cross-Country Finals at Newquay the week before we broke up. They ran with determination and represented the school so well. We are extremely proud of them all, as Mr Walden said, Roche School has not had anyone in this race before! Well done!

Taylor Y4
Poppy Y4
Marshall Y4
Harrison Y4
Callum Y4
Emily Y5 (A fantastic reserve!)

A big well done to all the Cross-Country Squad who travelled to Brannel for their monthly race on Monday 27th March. You ran really well and lots of you made great progress. It was the busiest one so far this year which made it a great competition. Well done Roche for making every race to Brannel so far this year! We even had some Year 5 children choosing their Cross-Country race over watching Shrek the Musical at Brannel School!

Please can all the Cross-Country Squad hand in their tops to Miss Tonkin or Mrs Harrison in Year 4 ASAP so we can check we have them all. Thank you.

Tilly's Diary

Welcome back everyone - I hope you had a lovely Easter holidays whatever you did!

I went on some long walks with my friend Daphne in Year 5. We actually take Mrs George and Miss Richards for a walk but we let them think it was their idea!

I've also been given a new badge which I am super excited about! It says "Miss Tilly: Very Important Pet!"

I hope you all have a lovely weekend - see you next week!

Love Tilly x

How the Competition Works

1. Your Scarecrow(s) and the Registered Number need to be visible from the public highway during daylight hours so they can be "spotted" by Visitors following the Scarecrow Trail Sheet.
2. Your Scarecrow needs to have a name, description or caption next to the official number so that people following the Scarecrow Trail using the Trail Sheets can correctly describe your Scarecrow and your Scarecrow can be judged.
3. If you are unable to make the Scarecrow(s) after Registration or it is damaged, removed or stolen during the Competition, please continue to display your Registered Number together with a sign saying "Withdrawn".
4. Your Scarecrow will be photographed during the week and the photograph displayed in the old shop window on Chapel Road.
5. The competition will be judged by the people of Roche. Voting slips will be available from Saturday 22nd July and will contain the location of all Registered Scarecrows and will be available from Roche School Roche Football Club and Victory Hall Social Club or by Email rocheyfc@gmail.com or rohecarnival@outlook.com
6. You will receive a map of to where to find all entries and you will be asked to visit all the scarecrows throughout the village and judge which one you like best. The one with the most votes will be the winner.
Prize giving Friday 24th July

Some suggestions, which we hope, will help entrants.

1. You can of course take your Scarecrow indoors at night if desired.
2. Whether you are displaying your own Scarecrow (s) ... or acting as a Host, please keep your Scarecrow (s) on your own property or get any necessary permission from the owners or landlords to avoid the risk of you incurring any liability.
3. Please consider your own safety and the safety of others when deciding where to hang, tie, mount or otherwise display your Scarecrows! If you are in any doubt check your Public Liability insurance.
4. If you have nowhere to display your scarecrow or you live outside the centre of the village please email either of the above.
