Roche CP School Rules for Life

- Show good manners at all times
- Follow instructions with thought and care
- Care for everyone and everything

Headteachers Awards Awarded 27th September 2024

- Reception:** Well done to Clara for her fantastic home learning. Congratulations to Trixi and Dolcie for using their great Fred Talk and blending sounds into words. You all deserve a Headteacher's award.
- Year 1:** This week we awarded two Headteacher awards. The first one was for Erin for her fantastic 'Talk for Writing', innovating the story of the Three Little Pigs. The second one was for Bobby. Bobby always follows instructions with thought and care and is always trying his best. Well done Erin and Bobby!
- Year 2:** Freddie J has really been concentrating on his writing this week especially whilst innovating his story. Freddie even went to show it off to the other teachers who were very impressed. Adara has wowed Miss Kent with working really hard by learning her Common Exception Words! Good job Adara!
- Year 3:** Year 3 visited Screech Owl Sanctuary last Thursday. We had a lovely day and managed to avoid the showers! The children were all so well behaved. They listened to the staff of the sanctuary and sat nice and quietly during the owl flying display. They showed good manners and whilst walking around the sanctuary in their groups were respectful to the members of the public that were there. They were a credit to Roche School. For all of these reasons, the whole of Year 3 deserve a Headteacher's award. (A big thank you to Mrs Geach who accompanied us on this trip too.) In addition to this award, an award goes to Harley who is just a delight to have in the classroom. He displays such a positive learning attitude in everything he does. He puts 100% effort into all of his learning all of the time. He is a great role model. Well done Harley!
- Year 4:** The Headteachers awards this week in year 4 went to Mia Curtis and Charlie for their excellent story writing. They both used great suspense and descriptive writing in their stories. Keep up the excellent work!
- Year 5:** This week Daniel and Edward were awarded Headteacher's Awards for their dedication and enthusiasm to our Geography lessons. We are currently learning about Mountains. The boys have been great at remembering key knowledge but also both of them have been adding their own knowledge to the lessons and sharing it with the class. Huge well-done Daniel and Edward!
- Year 6:** We awarded three Headteacher awards in Year 6. The first one was for Sofia for fantastic story writing. The description and tension she used made us want to read on! We were very impressed! The second award was for Poppy for working independently during DT and for measuring and marking carefully. Poppy is also a very organised and reliable PE monitor. Our third award was given to Taylor for always putting her hand up and contributing well in class. Well done to you all.

Year 5 Science

As part of their Science topic on Space, Year 5 learnt about the phases of the moon, not with a Jaffa cake, but with an Oreo!

Photo's below.

Reception Class Home Learning

We love this photograph Clara's mum sent to us for her Learning Journey!

The topic in Reception Class is 'All About Me'.

Clara has researched information about being a pilot, a police officer, doctor and a McDonald's employee!

Clara thinks she would like to grow up and be a pilot but we think she looks great as a doctor too!

Don't forget to send your home learning to reception@roche.tpacademytrust.org

Mylor has the 'new moon', Ashton has the 'first quarter moon' and Bea has the 'full moon'!

****Reception Class and Year 1 only****

Smile Together are thrilled to have recently won a contract to deliver a new and significantly expanded Oral Health Promotion programme 'Smarter Smiles' for Cornwall and the Isles of Scilly from January 2024. Over the next three years and working in partnership with our good friends at Peninsula Dental Social Enterprise (PDSE), we will continue engaging with school communities but also vulnerable adults and other groups in need of our intervention right across the county.

Our Oral Health Education programme is an exciting programme set up to teach the children about the importance of good oral hygiene, as well as giving them the opportunity for extra protection against tooth decay by applying (painting) fluoride varnish on their teeth twice in the school year. We will also be providing a home educational pack for children to take home, so you can continue with your child's dental care at home. The packs include a toothbrush, toothpaste, a mini toothbrushing timer and advice leaflets.

We are delighted to be able to deliver our oral health programme in your school community which is part of our commissioned contract with Cornwall Council and is completely free for your child

All our school visits will be in line with current Government and Public Health guidance.

If you would like your child to benefit from this valuable fluoride varnish application, which is easy, safe and fun, please continue to fill out the form below.

Without your consent or any late returns, we will not be able to apply the fluoride to your child's teeth.

Letters and information regarding this were attached to the email sent to **Reception Class and Year 1** parents/carers on Tuesday morning of this week.

Next Friday (11th October), we are going to be supporting Young Minds by wearing yellow! Your child should wear their usual uniform but with added yellow. For example, they can wear a yellow t-shirt, yellow socks, a yellow scrunchie or yellow hat!

Donations are through our Just Giving Page. We ask for a suggested donation of £2 per family/sibling group.

Reception Class Phonics Workshops

On 17th October, Reception class are hosting two phonics workshops. One is between 9.00am-10.00am and the other will be 5.30pm-6.30pm. We invite all Reception class parents/carers to attend either session (there is no need to attend both).

Please email Mrs Batten reception@roche.tpacademytrust.org with which session you are able to attend.

The National Child Measurement Programme
Reception Class and Year 6 Only

Across England over 99% (approx.17,000) of eligible schools take part in the NCMP every year. This provides valuable information which is used to plan for and invest in key services to ensure all children have the opportunity to be healthy.

The programme engages parents by sharing their child's results with them and promoting healthy lifestyle advice and support.

Below are the official links to the Digital Health Information weblinks for families. These weblinks contain many useful links including how to 'opt out' of school health screening.
