### Positive Thinking:

**Good news! Did you know that science suggests that positive thinking is a learnable skill?**

### Three Good Things Exercise

**1 2 3**

Research suggests that thinking of, and listing, three good things each day can contribute to increased happiness in the short term and longer term. Even better, this exercise is simple to do.

Just spend a few minutes each evening reflecting on the day until you think of three good things. Spread the positive vibes, and think about sharing your three things with those that you love!

### Down's Syndrome Bank

A big THANK YOU to Vicky Bundy and Cornwall Down's Syndrome Group. Through the donations in the Down's Syndrome Bank and the front garden sales at Vicky's house, £150 has been donated to school! The School Council will soon be making a decision on what to purchase with the money.

A reminder that all donations placed into the Down's Syndrome bank outside the school must be bagged. Unfortunately, last time it was emptied, there was a large pile of loose clothing.

Items suitable to donate:

- Clean curtains

Items not suitable to donate:

- Carpets
- Blankets
- Soiled/wet clothing
