21st March

Cup Awards

Friday 14th March

Reception

Congratulations to Jett for his super independent writing this week. Isla has also produced some fantastic independent writing and is always enthusiastic about learning.

Year 1

Rowan well done this week for working really well with beebots in our class lesson. Our second award went to Freddie for really good innovating of his story map 'The Secret Sky Garden'

Year 2

Freddie J for doing a great innovation and telling his story to the class.

Leo has been working extremely hard in his maths lessons and really persevering when he finds a challenge.

Year 3

Headteacher's award last week went to Vinnie! Vinnie had been poorly at the beginning of the week but when he came back he more than made up for it. He worked really hard in Maths where we had been learning a new division method. He stormed ahead in English with writing his story and caught up completely. He always works so diligently and tries his best all the time. Well done Vinnie!

Year 4

Darcie has truly shone this week, demonstrating remarkable resilience and being incredibly supportive and caring towards everyone in her class. Her dedication and focus in English have been brilliant and this has been evident in her writing.

Year 5

Lola for amazing resilience during Computing, keep it up Lola! Well done to Mylor for continuously working really hard in class and helping others too.

Year 6

Georgia for being a great representative of the school with our visitors this week.

Katrina for her fantastic arithmetic score and making good progress this week.

Reception Class

Police Week

Last week the children were learning all about how the Police help us. They met a police officer and asked her lots of interesting questions. Here are some pictures of what the children got up to. Please use these pictures to encourage your child to talk about their thoughts on the visit.

Year 4 Trip to Lanhydrock

On Thursday, Year 4 had a wonderful day looking at the historical building at Lanhydrock House. The children were fascinated by all its features. They particularly liked seeing the kitchens!

One group counted **21** fireplaces on our route. We also learnt where the great fire started back in 1881!

Mr Teasdale was very impressed with the children's behaviour and that they represented Roche School well.

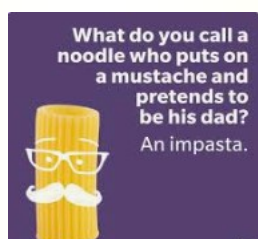

Red Nose Day 2025

We had a very successful 'Battle of the Jokes' in each class. Some of the joke made us giggle!
Look out on next weeks newsletter to see our winners. Thank you to everyone who donated.

There is still time to donate if you haven't already.

Please donate by using the link bellow.

Ocarina Club

Next term Mrs Welch will be running Ocarina Club for advanced and beginners on a Thursday.

Mrs Welch will be taking a group of Ocarina players to perform at the Hall for Cornwall in July as part of a TPAT music showcase. So if you are interested in performing please join the amazing Ocarina club!

Information regarding next terms clubs to follow.

Sporting news

Photo of the Year 3 and 4 boys with their medals they won last week at Nanphysick. Well done boys!

Here's a photo of Arthur who played a rugby match last week end against Newquay Hornets. He did an amazing job! His coach gave him excellent feedback and so did the opponents team.

He won the weekly coaches award. Well done Arthur you look very proud of yourself. Keep up the good work!

Does your child does a sporting activity outside of school? Would they would like to celebrate their success please email pictures and Info to:

reception@roche.tpacademytrust.org

The class with the best attendance this week is

Year 6.

Congratulations!

IS MY CHILD TOO ILL FOR SCHOOL?

yes *until...* **NHS**

CHICKENPOX	At least 5 days from the onset of the rash and until all blisters have crusted over.
DIARRHOEA AND VOMITING	48 hours after their last episode.
HIGH TEMPERATURE	If your child has a high temperature, keep them off school until it goes away.
IMPETIGO	Their sores have crusted and healed, or 48 hours after they started antibiotics.
MEASLES	4 days after the rash first appeared.
MUMPS	5 days after their swelling started.
SCABIES	They've had their first treatment.
SCARLET FEVER	24 hours after they started taking antibiotics.
WHOOPING COUGH	48 hours after they started taking antibiotics.

NO

CONJUNCTIVITIS	You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.
COUGHS & COLDS	It's fine to send your child to school with a minor cough or common cold.
HAND, FOOT & MOUTH	If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.
HEAD LICE	There's no need to keep your child off school. You can treat head lice and nits without seeing your GP.
THREADWORMS	Speak to your pharmacist, who can recommend treatment.
SORE THROAT TONSILLITIS	You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.
SLAPPED CHEEK	You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious.

Reception 96.15%

Year 1 96.46%

Year 2 86.67%

Year 3 91.27%

Year 4 96.67

Year 5 95.30%

Year 6 96.76%

Science week poster competition.

Children aged 3-11 can get creative and enter the British Science Week annual, UK-wide poster competition! To enter, they simply need to create a poster which fits in with the theme of 'Change and adapt'. Schools then select the five best creations and submit them for a chance of winning an array of prizes.

Competition: Create a British Science Week poster

Kit list

Paper (A4 or A3)

Creative materials such as: pens, pencils, scissors, glue, watercolours, paint, crayons, pipe cleaners, felt, thread, wool, foil, clay, string, beads, stamps, foam, pompoms

Instructions

Encourage children to think about change and adaptation – what it means to them and how it relates to science they've learnt about – to come up with ideas to include in their posters. Here are some points and questions to get you going:

- Get children to think about ways that they might have changed or adapted to new experiences and places as they've grown.
- What about change and adaptation in the world, and beyond? How do plants and animals adapt to a changing environment? Do the stars and planets in space change?
- Technology changes all the time, how is it changing our lives? Is it always for the better?

Reminder, posters need to be in by the 28th March. We have already had some fantastic designs brought in.

Message From Miss Tonkin

*I just wanted to say a huge thank you to the Roche school children and families' kindness towards myself, my family and our soon to be new arrival! Your generosity was overwhelming and I am really grateful for all the cards and gifts!
I am already missing Roche, but know I will see you all soon.*

DT Coaching.

Great news, we are extending our existing wraparound provision that we offer to 5 days a week, 8am to 6pm from the start of summer term (22/4/2025)

The model that we have in place has been successful and is sustainable. The provision from 22nd April will still be delivered by the activity coaches from DT coaching. These sessions are always based on indoor and outdoor games that are inclusive for children from Reception class up to year 6 class. Everyone welcome.

Pricing

Until 4.30pm £5 per session

Until 5.30pm £7.50 per session

Until 6pm £8.50 per session

Booking via Parent Pay from Monday 24th March.

Do you have a sibling starting school in September?

Here are some suggested skills and activities to prepare your children for the classroom. Are they school ready?

Ready, Steady, Chat

Ready, Steady, Chat is a safe space to meet others, have a chat and support a healthy and active family.

What Parents & Educators Need to Know about STREAMERS

WHAT ARE THE RISKS?

INAPPROPRIATE CONTENT
 Some gaming streamers will display harmful content, such as swearing and inappropriate language, which can be harmful to children and young people.

NEGATIVE INFLUENCES
 Some gaming streamers will display negative influences, such as promoting unrealistic body image, eating disorders, and self-harm.

FINANCIAL HARM
 Some gaming streamers will promote financial products, such as cryptocurrency, which can be risky and speculative.

Advice for Parents & Educators

EXPLAIN HOW STREAMING WORKS
 Ask younger streamers to explain how streaming works, what they do, and how they make money. Encourage them to share their experiences and challenges.

CHECK OUT STREAMING PLATFORMS
 Some streaming platforms have different content guidelines, such as YouTube Kids, Twitch Kids, and YouTube Gaming. Encourage children to use these platforms.

DO NOT LOG PAYMENT INFORMATION
 Encourage children to use secure payment methods, such as credit cards or PayPal, and to avoid sharing their payment information.

SET SCREEN TIME LIMITS
 Encourage children to limit their screen time and to take regular breaks. Encourage them to engage in other activities, such as sports, reading, and hobbies.

UNREALISTIC EXPECTATIONS
 Encourage children to set realistic expectations for their streaming career. Encourage them to focus on their education and to use streaming as a hobby, not a job.

MISINFORMATION
 Encourage children to be critical of the information they see on streaming platforms. Encourage them to check the source of the information and to consult with trusted adults.

ADDICTION AND SCREEN TIME
 Encourage children to be aware of their screen time and to avoid becoming addicted to streaming. Encourage them to take regular breaks and to engage in other activities.
